# CHRISTMAS HAMPERS

## The SPRUCE GROVE KINETTES THANK YOU

THANK YOU for your tremendous support, generosity and kindness towards local deserving families that needed a helping hand this holiday season.

This year has been an incredibly unique and difficult time for many, and your big hearts and generous support have helped make the holidays so much brighter in our communities.

Local businesses, organizations, schools, families and teams rose to this year's added challenges and came together to support **640** Spruce Grove & East Parkland families. Every family was supplied with grocery gift cards, and **677** local children were able to experience the joy of opening gifts on Christmas morning. What an accomplishment!

Thanks to you, thoughtful community donations met the need this holiday season. In a year filled with uncertainty, we were able to give back generously and make a difference to these families at Christmas. Every donation counted and we are thankful for each and every contribution.

THANK YOU for your incredible spirit in supporting local families at Christmas. WARM WISHES for a safe, happy and healthy year ahead!
