

**Administration Report for School Council  
École Broxton Park School  
January 19, 2022.**

- Covid Protocols implemented and being followed. We currently have 5 active cases.
- PSD Next Year Calendar feedback
- Grade 8 and 9 Immunization held on January 25, 2022.
- Seven Teachings (character building) focus on “honesty” as a character trait for January
- Field Trips - can continue on as long as Covid protocols are followed (insurance coverage must meet PSD policy/guidelines)
- Hoping to start Certified Therapy Dog sessions in the new year. Once a week at lunch time for students to visit the dog. Covid protocols and cohorting are delaying the process.
- The Education Development Plan for Ecole Broxton Park School will be presented to the School Council at the next meeting. Our school will focus on Student Achievement and Success based on Literacy and Numeracy.
- Francofête will most likely be postponed from Feb 21st-25th to the week of March 14th-18th. We will have this determined this week as planning has begun.
- We have 18 students who have completed an accelerated Math 9 program where they will write their PATs this month and then begin their Math 10C course through CFL.
- Administration will take into consideration parental feedback with regards to mobile phones and the use of digital devices during instructional and non-instructional hours; a school administrative procedure will be developed for the next school year.
- PSD has chosen to update the school community regarding reported Covid case count as a Blog post (Friday updates)...Broxton School Website
