Next week, **May 1-7th is Mental Health Awareness Week**. You may want to participate by participating in **Hats On! for Mental Health Day on May 3rd** to raise awareness for the importance of mental health. **On** May 3rd, Albertans are invited to wear a hat to raise awareness of the importance of good mental health. Participating schools would relax their hat rules and encourage students and teachers to build understanding by wearing hats to school. Students would also participate in a coordinated lesson on understanding mental health and the importance of removing the stigma associated with mental illnesses (lesson plans in the link).
